Pocket Chart Cards for Picture Words include all the picture words used in the JY First Readers published by JYbooks.

These reproducible cards, along with **Pocket Chart Cards for High-Frequency Words**, provide opportunities for students to practice high-frequency word vocabulary by building sentences based on the patterns in the JY First Readers. The cards can also support activities to develop concept vocabulary.

To help you plan instruction, a list of the picture words introduced in each JY First Reader is provided on the back of this card.
